# Members of EU Parliament Hold Press Conference to PROTEST EU TYRANNY [VIDEO]

🕒 October 24, 2021 👤 TLB Staff 📁 COMMENTARY, GOVERNMENT, Spotlight, Tyranny 💬 0

ER Editor: This press conference has been called because the digital health pass is now being applied to Members of the European Parliament (MEPs) and their staff, which will prevent sections of the Parliament from functioning because they won't be able to do their jobs.

Another Text Message Controversy for von der Leyen

## The European Commission Deletes Mass Amounts of Emails and Doesn't Archive Chats

Each month, the European Commission deletes several thousand emails and texts, and WhatsApp messages are not archived at all. Now, Commission President Ursula von der Leyen is, once again, facing uncomfortable questions about allegedly deleted text messages. An expert describes the practices as legally "questionable."

Since Monday, members of the Latvian parliament, the Saeima, and local councils unable to present proof of COVID-19 vaccination or recovery have been **excluded** from parliamentary business, including online meetings and voting in parliament.

Last month the Australian state of Victoria also **imposed** a vaccine mandate for lawmakers. But Latvia is the first democratic country to do so at a national level.

Legal experts have questioned the constitutionality of measures in **Latvia** and **Victoria**. But the more fundamental question is moral and political: how far can policy go in the coercive enforcement of vaccine mandates?
